

## Façade Cleaning & Rebranding – Smyths Toy Store, Swansea

We were asked by our client to inspect and quote to re-spray an old Currys Store on an industrial estate, Smyths Toys were taking over the building and required their standard silver frontage on the store, we were working alongside the fit out trades and were mainly working off Powered Access.

All works were carried out over a period of a week with the final works completed with 3 teams over a weekend. The store opened on time and the client was delighted with the transformation from the old look store. Gapple was immediately instructed to carry out similar contract on their new store in Bristol.
