

Spraying & Fit-Out – Industrial Unit, Swansea

Gapple were instructed to remove all existing flaking paint, prepared all areas and re-coat. All metal windows and shutter doors were completed with an undercoat and gloss system. We were required to also refit the internal space to form separate office spaces, welfare facilities – toilets, kitchenette and form separate warehouse space. Internal fit-out include full M & E services to plumbing, heating, air conditioning and electrical re-wiring & fully furnished.
